# My Christmas

**Izlasī**, kā Ziemassvētkus svin Roberts.

Hi! My name is Robert, but everybody calls me Rob. One of my favourite holidays is Christmas. I will tell you how I celebrate it.

I celebrate Christmas with my family. A week before we start decorating. We decorate not only the Christmas tree but the whole house. My parents put on lights. I usually make a wreath for our front door.

My parents usually invite all our relatives to a party. Everybody sings Christmas carols and eats. Later we gather in the living room at the fireplace where our Christmas tree is and open gifts. We also go to the church in the evening.

**Atzīmē**, vai apgalvojumi par tekstu ir patiesi (T) vai nepatiesi (F).

1. Robert celebrates Christmas with his family.
2. A week before they decorate only the Christmas tree.
3. Robert always makes a wreath.
4. Robert's family has a Christmas party.
5. Robert sings Christmas carols.
6. Their Christmas tree is in his room, near the fireplace.
