# WHERE DO PEOPLE LIVE?

**Apskaties** paraugu. **Uzraksti** līdzīgus teikumus par pārējām mājām.

This is a beautiful cottage. It looks like it is in the forest. The house has got a dormer window and some regular windows. There are a lot of plants and flowers. There is a big chimney on the roof. It has got a porch. There is also a driveway made of bigger and smaller stones. It looks really beautiful.
